CCAEOntario

The Canadian Council for the Advancement of Education – Ontario, a regional chapter of the Canadian Council for the Advancement of Education, is dedicated to serving the professional development needs of Advancement professionals in Ontario. CCAEOntario strives to involve members from all schools and disciplines within the Advancement profession in Ontario and nationally.

A proud member of the Canadian Council for the Advancement of Education, Ontario is dedicated to the organization’s vision to be the authoritative source for Canadian educational advancement. We aspire to be the primary provider of professional development through creative programming and services that meet regional needs, educating advancement professionals and providing exceptional networking opportunities.
